Dewey and Almy Chemical Company  
235 Harvey Street

Dear Bradley:

Thank you very much for the interesting statement of your views on asbestosis contained in your letter of February 23rd. I had no thought whatsoever that you were anything approaching a "black sheep" in this connection but am very glad to have this statement. I am sure that you will have no objection to my passing it along to my friends, Lanza and Gardner.

Sincerely yours,

Manfred Bowditch
